### MAY WE ASSIST YOU?

Since it's been our privilege to serve many institutions in Boston and neighboring dioceses, possibly you know our name. But perhaps you *don't* know the variety of services we offer. Providing fine furnishings at wholesale, from many of America's leading factories and mills, is only the beginning.

### WE ARE CRAFTSMEN, TOO

We can make and install draperies, lay carpet, re-upholster furniture . . . work harmoniously with your architect or builder where necessary.

### INTERIOR DECORATING

We're ready to help you with the selection of colors and designs most suitable for your rooms whether you are choosing a single lamp or furnishings for an entire building. Naturally we always keep your budgetary requirements in view.

### PAY US A VISIT

Our showroom is located on Commonwealth Avenue at the Boston and Newton line — corner of Lake Street — just five miles from the junction of Route 128 and the Massachusetts Turnpike. Phone or drop us a card if you prefer. We'll be happy to call on you at your convenience.

HERE ARE WAYS IN WHICH  
THE ECCLESIASTICAL ART OF GASTON  
HELPS TO BEAUTIFY THE  
HOUSE OF GOD ✠

### PLANNING

Many projects require preliminary sketches giving a clear idea of the ultimate objectives. This is especially true of murals, stencil designs and decorative elements.

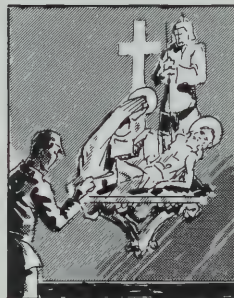

### PAINTING

Color schemes worked out well in advance assure a harmonious result. Due to the high quality materials used, the cost per year is relatively small.

### STATUARY

In repainting statuary, Goyette artisans coordinate colors — bring new attractiveness to the individual pieces yet maintain balance with present surroundings.

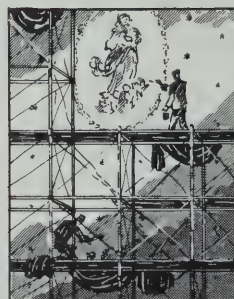

### STATIONS

The wide variety of styles in Stations within the Archdiocese presents a challenge in their restoration. Whether units are simple or elaborate, Goyette restores them to their original perfection.

### OIL PAINTINGS

Portraits of the clergy and the restoration of old paintings is a Goyette hallmark. Adherence to traditional techniques is carefully followed.

### MURALS

Adhering to historical and liturgical standards, Goyette craftsmen create murals that are both beautiful and in keeping with the highest ecclesiastical standards.

## SACRED VESSELS AND METAL ALTARWARE OLD GOLD JEWELRY COLLECTION *An Easy Fund Raising Method*

The above photos illustrate an old gold jewelry collection, from the benefactors of the Carmelite Chapel at the Peabody Shopping Center, that was made into 2 chalices.

Many churches have been provided with new sacred vessels through the medium of an old gold collection. The parishioners are usually delighted to donate an old watch or ring that is old fashion and out of style. It may be valueless to the owner but when melted down with hundreds of similar pieces, the gold value is frequently high enough to provide a new chalice or ostensorium.

We will gladly assist or advise any parish contemplating an old gold collection.

# PROTECT YOUR BLACKTOP PAVEMENTS WITH ...

**The Original Blacktop Pavement Sealer**

*His Eminence,  
Cardinal Cushing's  
Residence, Brighton*

*Jennite J-16  
originally applied  
in 1948*

PHOTO BY BORIS & MILTON

**This remarkable product preserves and beautifies parking areas, schoolyards and driveways.**

- Prevents damaging action of gasoline and oil — drying out action caused by actinic rays of the sun — pavement disintegration due to freezing and thawing of penetrated surface moisture.
- Seals in vital asphaltic oils to assure long maintenance-free surface life.
- Produces a smooth, attractive, satin-black finish that is non-skid and easy to clean.
- Doubles service life at a fraction of original pavement expense.

Thoroughly tested and successfully proven on every application for 25 years.

**Exceeds all requirements of Federal Specifications.**

## EASTER

Easter Sunday is the first Sunday after the first full moon which occurs on or after March 21. It may be as early as March 22 or as late as April 25. In 1963, it falls on April 14.

The six and a half weeks which precede Easter Sunday are known as Lent. However, as restrictions are lifted on Sunday, the forty weekdays of this period constitute Lent during which the faithful are exhorted to follow the example of Our Lord and Saviour in His fast of forty days and nights in the desert. In 1963, Ash Wednesday, the first day of Lent, falls on February 27.

School kitchen has heavy-duty flameless electric ranges, electric dish-washers and is served by flameless electric water heaters for general use and for sterilizing.

View of rectory kitchen shows customized flameless surface units and built-in wall oven and the adjacent electric refrigerator. Here, as throughout St. Bartholomew's, everything is planned for convenience and efficiency.

The convent kitchen features a light-duty commercial electric range with broiler, griddle and two ovens. Also shown are the electric refrigerator and the food freezer.

## ALL-ELECTRIC KITCHENS serve the school, convent and rectory of ST. BARTHOLOMEW

Another flameless electric success story is told in these pictures of Saint Bartholomew's school, convent and rectory in Needham. The school (above) serves 564 in two shifts in its modern cafeteria during daily sessions. Smaller groups are served in the rectory and convent. These installations are typical examples of the trend to flameless electric food service facilities with their cleanliness, ease of operation and dependability. To learn how all-electric kitchen equipment can serve your requirements, call our Commercial Cooking consultants at HAncock 6-3300, Extension 332.

*Gowns* FOR CONFIRMATION OFFER REAL  
ADVANTAGES TO BOTH PASTOR AND PARENTS

**Beautiful:** Gowns made of an excellent quality of rayon faille material. Red gowns and white for the boys. White gowns with red collar and cap for the girls.

**Practical:** Eliminate problems of unsuitable clothing.

## EASTERN CATHOLIC CHURCHES

Catholic Churches of the Eastern Rites recognize the supremacy of the Pope but are organized under the four major Patriarchates of Alexandria, Antioch, Jerusalem and Constantinople. (A Patriarch is a Bishop holding the highest rank below the Pope.)

The Eastern Churches have their own liturgies, laws and customs, but they are united with the Western Church because they have the same articles of faith and morals and the same Sacraments, and they acknowledge the Pope as the Supreme Head of the Church on earth.

## DIVINE WORD MISSIONARIES

HAVE GROWN INTO THE THIRD LARGEST MISSIONARY CONGREGATION OF THE CHURCH, with well over 8,000 Priests, Brothers and Seminarians. The Sister Congregations number also over 5,000. Father Founder, Arnold Janssen's Society now includes about twenty different nations, among them American Negroes, Japanese, Chinese, and Indonesians.

It was the first religious society in America to establish a seminary for the training of American boys for the Foreign Mission Fields.

The Society has become one of the greatest champions in promoting the education of native clergy. It directs the Pontifical College of St. Peter in Rome, giving advanced courses for Native Missionary Priests. It has given the Catholic mission world its first Mission Cardinal, Tien, S.V.D., of China, and to the church in America about 40 of its 50 Negro priests.

In the field of higher education and science its members have distinguished themselves.

**CYO AND CHI RHO COMMUNION SUNDAY IS THE THIRD SUNDAY OF EVERY MONTH**

# **PROTECT** **YOUR BUILDINGS!**

The parapet walls and cornices of the Cardinal's Residence are protected by the installation of Western's "Resto-Crete" waterproofing (Reg. U. S. Pat. Off.)

proofing and weatherproofing treatment, the work being done for His Eminence, Richard Cardinal Cushing, D.D., Archbishop of Boston.

**CARDINAL'S RESIDENCE  
BRIGHTON, MASSACHUSETTS**

Leakage and seepage through unnoticeable openings can cause serious damage and necessitate expensive reconstruction. Fortunately, you can guard against these dangers.

Timely repointing by the Western Waterproofing Company — protects your buildings — and costs little compared to the price of neglect.

Reliable work is assured by Western Waterproofing's 5-year guarantee. Write a note of inquiry now — and have the information ready when you need it!

**Here's just  
one of  
many reasons**

*...because they can depend  
on the integrity of our  
advertising and our  
merchandising.*

The First National story is one of top quality foods in exciting variety, offered at the lowest possible prices every shopping day of the year. We try to tell it directly, honestly, dramatically if possible. But First National traditionally avoids extravagant or misleading claims, both in our store merchandising and in all our advertising media. The fact is, actually, that this reputation for advertising and merchandising integrity over the years has been good for business — as the loyalty of our huge customer family would indicate.

## LANGUAGE LABORATORIES

DeMambro Sound has installed many modern language laboratory systems in schools and colleges throughout the archdiocese. Under the direction of His Eminence, Richard Cardinal Cushing, we are at present preparing a language laboratory for use by the Society of St. James the Apostle in Lima, Peru. This will enable these devoted missionaries to learn to speak and comprehend the native language in Peru and Bolivia. Portable laboratories are also available for smaller schools or where funds are limited.

### A DE MAMBRO SYSTEM for EVERY PARISH NEED

**SOUND SYSTEMS.** Modern sound systems with radio, phonograph and intercommunication are available for schools up to 165 rooms.

**INTERCOM SYSTEMS.** Webster Electric loud-speaker intercom systems give rapid efficient communications. Many models available.

**PUBLIC ADDRESS.** DeMambro Public Address systems are the first choice in the majority of New England pulpits.

**DIAL SYSTEMS** developed and engineered by Stromberg-Carlson provide the best in rapid, private communication.

**CARILLONS.** Today's electronic carillon systems give the rich tones of cast bells at a fraction of the cost.
